

HARD HAT WEEKEND CAMPAIGN LEADERSHIP PREVIEW

HANOVER | OCTOBER 15-17, 2021

**THE CALL TO LEAD
A CAMPAIGN
FOR DARTMOUTH**

WELCOME BACK TO THE HANOVER PLAIN!

Seven years ago, we set out to elevate Dartmouth to new heights in service to our mission today, tomorrow, and for generations to come. Right from the very beginning, you have been our partners on this journey and, through your support, have helped us amplify the teaching and research that happens on our campus and every element of the Dartmouth experience for our students.

This weekend, we celebrate your support and leadership throughout The Call to Lead campaign and offer you an exclusive preview of the ways in which your generosity has positively impacted students, faculty, and staff at Dartmouth. The improvements go well beyond the physical enhancements we're making to our campus—this campaign is a once-in-a-generation transformation in how the members of our academic community live, teach, learn, and lead.

While we still have work ahead to realize our full vision, this weekend we pause in gratitude to mark how far we've come together—and to showcase all that you've made possible through your support.

Please enjoy the weekend and know that all of us at Dartmouth are grateful for all you're doing to make the campaign a resounding success.

Philip J. Hanlon '77
President
