

“Over the past 48 years, you have come to rely on BPCC as a source of *excellence in academic programming* and as a responsive partner for meeting the needs of our regional employers. With the announcement of our first Capital Campaign, we are *expanding access for citizens* of Northwest Louisiana and *strengthening the future of our economy*. We invite you to partner with us today to continue the legacy of **BUILDING SUCCESS TOGETHER**.  
-Rick Bateman, Jr., Ph.D., BPCC Chancellor

### STUDENT SUCCESS INITIATIVE

Retention and success for our students are our #1 priority. By investing in our faculty and providing them with the most innovative and up-to-date equipment, technology, and professional development, our students are able to learn from experts in their particular fields of study.

### SCHOLARSHIP ENDOWMENT INITIATIVE

Scholarships are needed to reward and encourage highly qualified students. By creating endowments designed specifically for programs aligned with high-demand job sectors, BPCC can help make the difference in students' lives.

### BUILDING & MAINTENANCE FUND INITIATIVE

As the demand for workforce training increases, BPCC's need for additional facilities continues to grow. BPCC will be better equipped to put people to work quickly, efficiently, and affordably by investing in innovative, technologically-superior facilities where students can receive the highest quality instructional training.
