COURSE REGISTRATION

You will receive information about registration through your myCapU email account, including the date and time when you can go online and register for your courses. This is called a "time ticket" and is an important step for you to register for courses. Time tickets are assigned based on student groups and the total number of credits you've earned. In early July, be sure to check if you have received a time ticket for registration. For more information, visit capilanou.ca/registration-time-tickets

IMPORTANT DETAILS TO KEEP IN MIND ABOUT STUDENT LOANS

- Apply early—applications can take up to two months to be processed.
- Applications for the 2021-2022 academic year open in June 2021.
- You do not need to be registered in courses to complete and submit the application. Submit a separate application through your provincial loan provider for each term. The final deadline to submit your application is six weeks before the end of the term.
- Funding is only released on or after the first day of classes, so if you need the loan to pay tuition, you should apply for a Fee Deferral at CapU once you receive a notification letter from your provincial loan provider. For more information on Fee Deferrals, visit capilanou.ca/fee-deferrals
- While you are enrolled in full-time studies, you are not required to make payments on the principal of the loan. The interest is paid by the provincial and federal governments.
- Repayment of the loan will begin six months after your studies end.

HOW TO APPLY FOR SCHOLARSHIPS, BURSARIES AND AWARDS

- 1 Go to **myCapU Account**: capilanou.ca/mycapu
- 2 Log into your **myCapU Account**
- 3 Select **Financial Aid and Awards**
- 4 Select **Apply for Scholarships, Bursaries, Awards and Fee Deferrals**.
- 5 Select the **Scholarships, Bursaries and Awards application** for the term.
- 6 Don't forget to submit additional documents to be eligible for even more scholarship, bursary and award opportunities!

OTHER FUNDING RESOURCES

Adult Upgrading Grants: If you're upgrading your skills or taking developmental education or training courses, the Adult Upgrading Grant could help cover your costs. For more information, visit capilanou.ca/financial-aid/aug
