

THANK YOU

DIANA NATALICIO

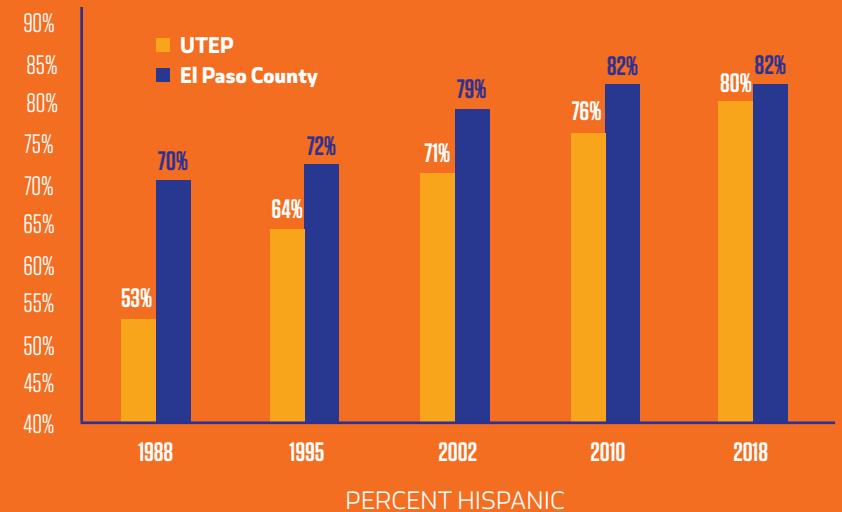

During the 30 years of
Diana Natalicio's presidency...

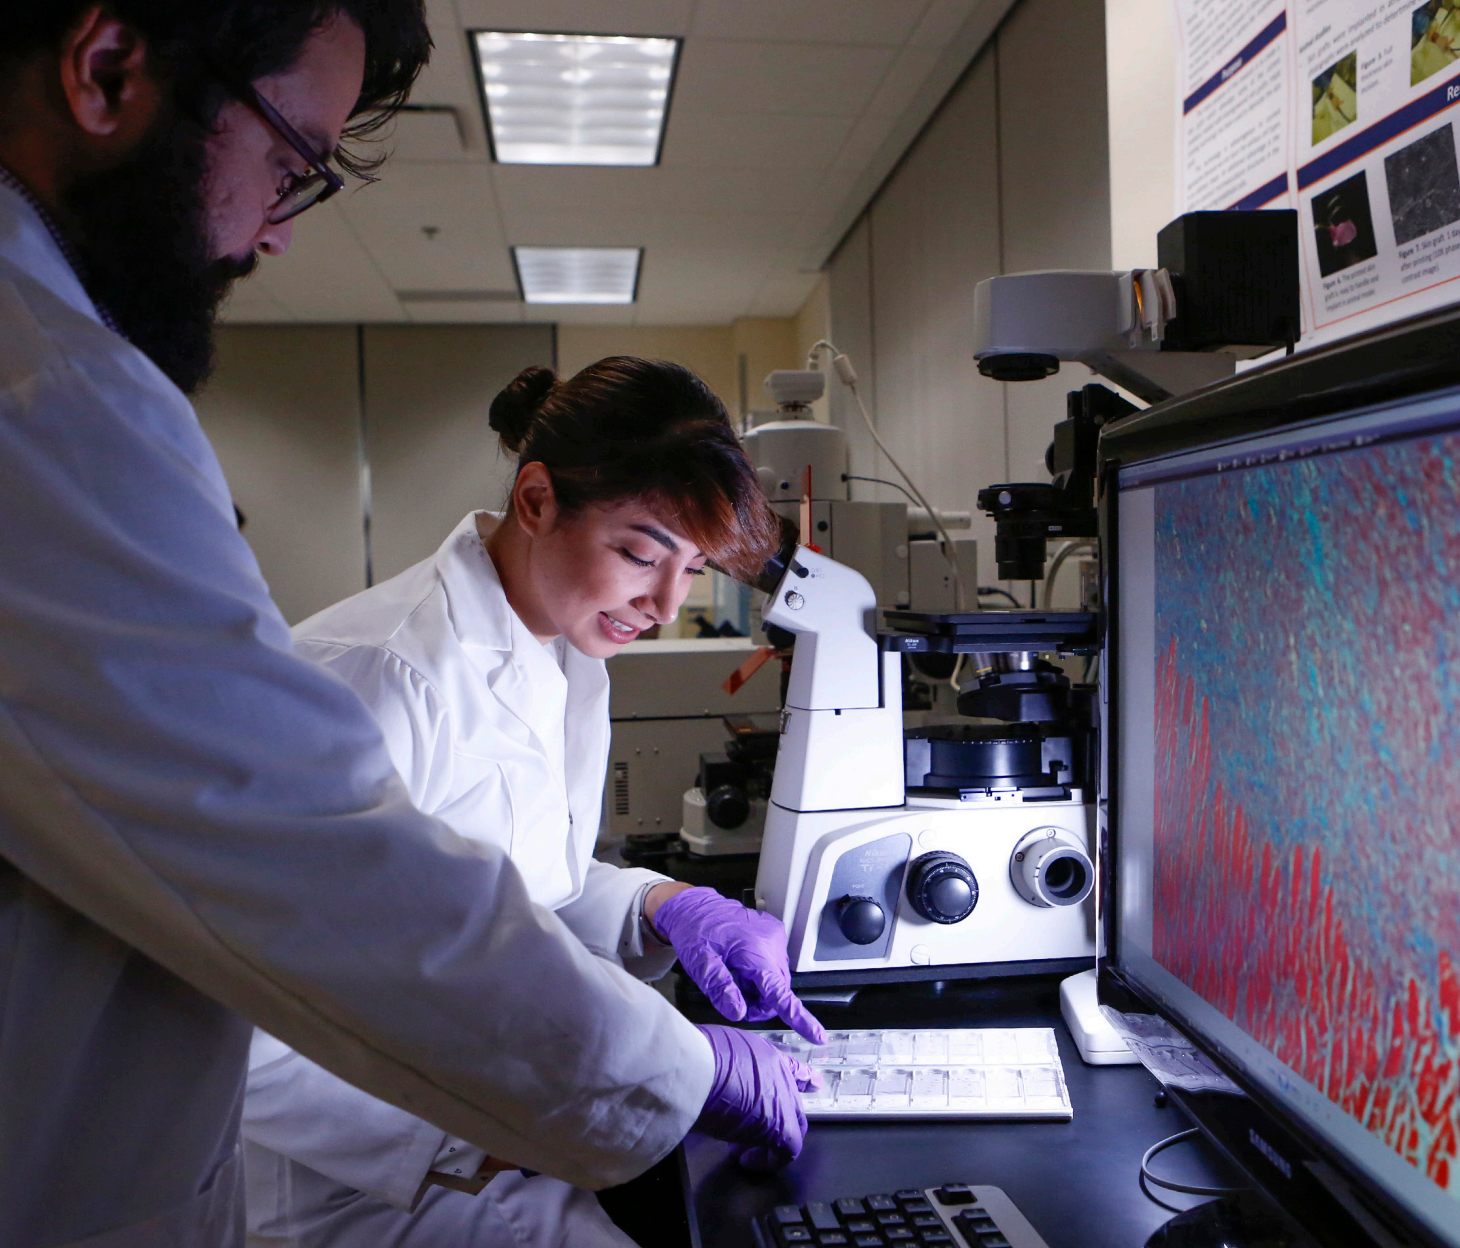

UTEP enrollment increased 79 percent, from 14,056 to 25,151 students. The representation of Hispanic enrollment grew from 53 to 80 percent, now closely mirroring the population of the surrounding region.

Closing the Gap: Mirroring Regional Demographics

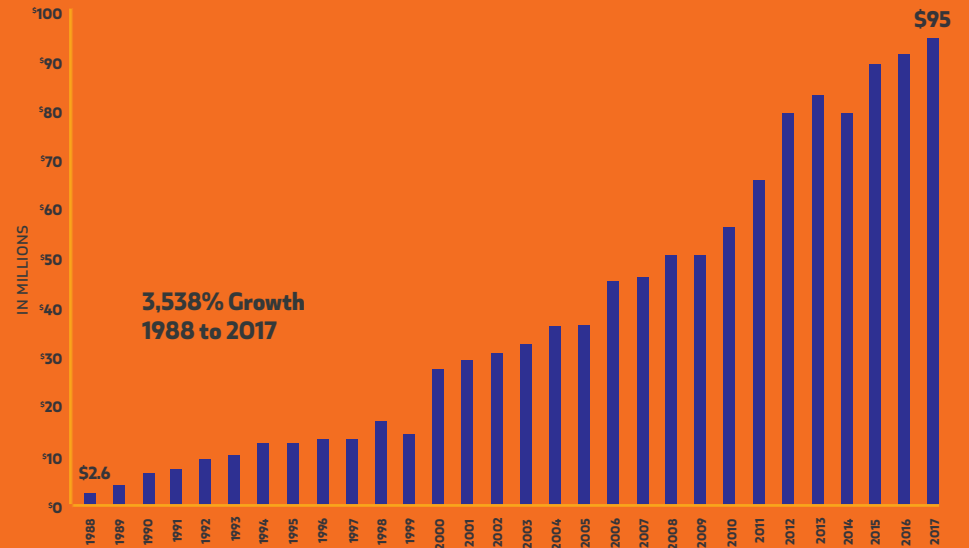

The number of doctoral programs offered at UTEP grew from 1 to 22, representing each of the 8 colleges and schools, and the number of doctoral students increased from 16 to 921.

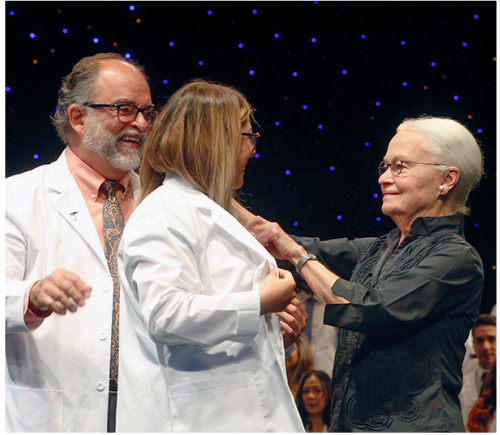

Annual research expenditures skyrocketed from \$2.6 million to \$95 million.

Growth in Annual Research Expenditures

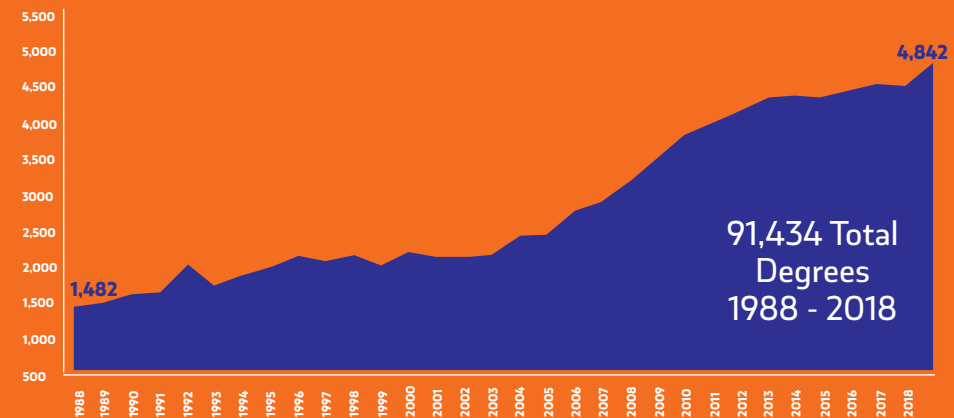

UTEP's annual budget has grown from \$73 million to \$500 million.

The number of UTEP degrees awarded annually more than tripled from 1,482 in 1987-88 to 4,842 in 2017-18.

Growth in Annual Degrees Awarded

UTEP's campus has expanded from 65 buildings and 3.2 million square feet to 80 buildings and 5.2 million square feet today.
