Roll Toms!

LET'S KEEP THE MOMENTUM GOING

In the coming year, we want to capitalize on the fundraising successes we had this year and continue to promote initiatives that enhance the student experience. Scholarships must and will remain our top priority at St. Thomas. With more financial support, we can attract the best and brightest students. We're so grateful you're on board to help lead these efforts. Your continued leadership will be essential as we support future Tommies.
