NWAKA ONWUSA

BACHELOR'S DEGREE IN SOCIOLOGY, CLASS OF '08

Music History Curator

This first-generation Highlander went from indulging her musical curiosities as a student worker at the UCR Fine Arts Box Office to conceptualizing, researching, and producing more than 20 exhibits, including "All Eyez on Me: The Writings of Tupac Shakur" for downtown Los Angeles's Grammy Museum.

Now, Nwaka is the first Black person to hold the position of Chief Curator & Vice President of Curatorial Affairs for Cleveland's Rock n' Roll Hall of Fame.

DIVERSITY

Diversity is not an abstract concept at UC Riverside — it is a source of strength and pride for our campus. Not only is our student body diverse, but so is our senior leadership. 40% are women. Many are first-generation college graduates. Several were born outside of the United States. We are also well-represented by a variety of faith traditions and members of the LGBTQ+ and military communities. Our awareness of and focus on inclusion reflects a historical commitment to the value and strength diversity brings to our campus.

Founders of Saru Recycling

This eco-focused startup was given life by four focused Highlanders from our top-ranking engineering program. Saru Recycling has gained national attention for pairing solar-powered, autonomously sorting recycling bins with a mobile app that rewards users for depositing recyclables.

Funding received from UCR's Office of Technology Partnership's Launchpad program, resulted in the group's prototype, which can be found in front of Goodwin's Organics, a health and nutrition store near campus.

"The early support and mentorship from UCR's entrepreneurial network enabled us to make Saru a reality and compete on the national stage."

COSTS AND FEES

YOU ARE WORTH IT

The cost of attending UC Riverside is extremely competitive with private institutions and other University of California campuses. UCR offers its students generous financial aid packages and will connect you with scholarships and opportunities to help ease any concerns you may have about affording a university education.

| 2021-22 ESTIMATED COST OF ATTENDANCE $15,510 Tuition and Fees + Supplies, Housing, and Expenses	
(California Resident)	(Out-of-State/International Nonresident)
$28,035-32,310	$57,789-62,064

These are estimates based on average student expenses.

Estimates shown are subject to change. Get the details: admissions.ucr.edu/cost

CONSCIENTIOUS ABOUT COST

» **The cost of living in Riverside is much lower than metropolitan areas like Los Angeles, Orange County, and San Diego.**

» **98.2% of UCR undergraduate students receive some form of financial aid.**
(UCR Financial Aid, 2020–21)

» **UCR graduate's mid-career median salary is $116,600.** (PayScale.com, 2020–21)

» **UCR's class of 2020 works for high profile companies, like Amazon, City Year, Deloitte, Goldman Sachs, Google, Northrop Grumman, PricewaterhouseCoopers (PWC), Raytheon Technologies, RSM US LLP, and Thermo Fisher Scientific.**
(UCR Career Center)

You are considered a first-year applicant if you are in high school or have not yet enrolled in a regular session at a college or university after high school graduation (excluding the summer immediately after graduation). First year application filing period: Nov. 1–30.

1.) SUBJECT REQUIREMENT

You must earn a grade of C or better in all "a-g" courses, complete a minimum of 15 college-preparatory ("a–g") courses as outlined below, and finish 11 courses before your senior year.

A. History/Social Science: 2 years

B. English: 4 years

C. Mathematics: 3 years, 4 recommended (must include Geometry)

D. Science: 2 years, 3 recommended

E. Language Other Than English: 2 years, 3 recommended

F. Visual and Performing Arts: 1 year

G. College-Preparatory Elective: 1 year

- Finish 11 courses before your senior year.
- You can satisfy "a–g" requirements in other ways: completing college courses; receiving an appropriate score on certain ACT or SAT subject, Advanced Placement (AP), or International Baccalaureate (IB) exams, etc.

2.) GPA REQUIREMENT

- To meet minimum requirements to be considered for UCR admission, you must earn a GPA of 3.0 or higher (3.4 for nonresidents) in "a–g" courses taken during grades 10 and 11 (including summers before and after), weighted by a maximum of eight semesters of UC-approved honors courses.

EXTRA POINTS FOR HONORS COURSES

- A=5, B=4, and C=3; D or F=0 extra points.
- Approved honors-level courses may also include acceptable AP classes, higher- (and some standard-) level IB classes, and transferable college courses.

3.) TEST-FREE THROUGH FALL 2024

UC Riverside will no longer use standardized exam scores (ACT/SAT) in comprehensive review and selection process through the fall 2024 admission cycle. If you choose to submit test scores as part of your application, they may be used to determine your eligibility for the California statewide admissions guarantee, as an alternative method of fulfilling minimum requirements for eligibility or for course placement after you enroll.

>> **admissions.ucr.edu/myucr**

PERSONAL INSIGHT QUESTIONS

As a first-year applicant, you must answer four out of eight questions. As a transfer student, you must answer one required question, plus three out of seven additional questions. It is important that you express who you are, what matters to you, and what you want to share with UCR. Each response is limited to a maximum of 350 words.

>> **admissions.ucr.edu/insightquestions**

TRANSFER ADMISSION REQUIREMENTS

You are considered a transfer applicant if you registered at a college or university for a regular session (besides the summer after graduation) after completing high school. You may not disregard your college record and apply as a first year. UCR accepts junior-level transfers and will give priority consideration to those from California Community Colleges. Transfer application filing period: Nov. 1–30 (fall) and July 1–31 (winter).

1.) UC ADMISSION MINIMUM REQUIREMENTS

- You must complete 60 semester (90 quarter) units of transferable college credit with a minimum GPA of 2.4 (California residents) or 2.8 (nonresidents).

- You must complete, with grades C or better, by the end of spring term prior to transfer:
  - Two courses in English Composition
  - One course in Mathematical Concepts and Quantitative Reasoning
  - Four courses selected from at least two of the following subject areas: Arts and Humanities, Social and Behavioral Sciences, Physical and Biological Sciences

- Each course must be transferable and worth at least 3 semester (4–5 quarter) units.

2.) TAKE COLLEGE BREADTH (GENERAL EDUCATION) COURSES

Although not required for admission, completing general education or Intersegmental General Education Transfer Curriculum (IGETC) requirements before transferring, gives you more freedom in selecting courses when you enroll at UCR and helps them complete your degree on time.

Learn more about specific IGETC articulation, like course equivalency, breadth, and major requirement satisfaction.*

3.) SATISFY SELECTION CRITERIA FOR YOUR INTENDED MAJOR

- **Marlan and Rosemary Bourns College of Engineering (BCOE)** Students are selected based on academic preparation. Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.8 and completion of required major preparatory coursework by the end of the spring term prior to transfer (or by fall prior to transfer for winter applicants).

- **College of Humanities, Arts, and Social Sciences (CHASS)** Admission is selective based on GPA in all transferable coursework with a minimum GPA of 2.4 and completion of required major preparatory coursework by the end of the spring term prior to transfer. Psychology and Neuroscience applicants must have a minimum 2.7 in all transferable college coursework.

Art (Studio) applicants will be required to submit a portfolio for review. IGETC is recommended.

- **College of Natural and Agricultural Sciences (CNAS)** Students are selected primarily based on academic preparation, as assessed by their GPA in academic coursework and strength of preparation for the intended major. Admission is selective based on GPA in all transferable coursework with a minimum GPA of 2.7. One year of Calculus is required, along with additional Science and/or Math lower-division major preparation.

- **Graduate School of Education (GSOE)** Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.4. Applicants can complete IGETC or UCR breadth pattern for GSOE.*

- **School of Business** Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.7. Applicants must complete all breadth requirements (or IGETC) and the seven published major prerequisites. IGETC is highly recommended.

- **School of Public Policy (SPP)** Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.4. Applicants can complete IGETC or the UCR breadth pattern for SPP.*

Note: GPA for all colleges/majors is a baseline and not a guarantee of admission. Learn more about specific transfer course agreements between California Community Colleges and UCR.*

UC Transfer Admissions Planner (TAP) You can use TAP to enter your completed and planned course work from the start of your college careers or at any point when you decide to transfer to a UC campus. Transfer applicants need to complete specific course requirements and gain high academic achievement to transfer into UCR. View specific admissions requirements and selection criteria:

>> admissions.ucr.edu/international

1. **Take required classes.**

   • Complete 60 semester (90 quarter) units of transferable college credit with a minimum GPA of 2.8 out of 4.0 (equivalent to 75% on a 100% scale) or higher.

   • Admission is selective, so strive to surpass the minimum GPA. No more than 14 semester (21 quarter) units may be Pass/Not Pass.

2. **Complete (with grades C or better) the UC Seven Course Pattern:**

   • Two courses in English composition

   • One course in Mathematical Concepts and Quantitative Reasoning

   • Four courses selected from at least two of the following subject areas: Arts and Humanities, Social and Behavioral Sciences, Physical and Biological Sciences

• Each course must be transferable and worth at least three semester (4–5 quarter) units.

3. **Meet the requirements for the major.**

   • Each major has different prerequisites, required GPAs, and overall selection criteria. All transferable coursework is considered, and some majors require a GPA higher than that required for basic admission. You should work to surpass the minimum selection criteria.
