**TAKE A LOOK FOR YOURSELF**

At UNH, our students learn from exceptional professors and earn jobs at remarkable rates—but that’s only part of the story. We offer that world-class education on a campus that is safe, sustainable and surrounded by breathtaking natural beauty. Most importantly, every voice matters in our community. Everyone is welcome and everyone can find their fit. And our students are doing amazing things, on campus and around the world.

See for yourself what makes this such a special place.

## ENDLESS OPPORTUNITIES

More than **three out of four** recent graduates say high-impact opportunities shaped their UNH education. What do we mean by **high impact**?

The best definition is what our incredible students are up to.

- **Interning at Fortune 500 companies in Boston**
- **Working alongside world-class genomics experts at our campus COVID-19 testing lab**
- **Designing an underwater robot that measures coastal erosion**
- **Reporting on the first-in-the-nation presidential primary**
- **Testing new data technologies for Apple at our InterOperability Lab**
- **Managing the student-run dairy cooperative**
- **Participating in a summer fellowship with the Princeton Plasma Physics Lab**
- **Booking musical talent for a local arts nonprofit**

## WHAT IT TAKES TO BE #UNHTOGETHER

The global COVID-19 pandemic challenged and changed each of us. However, it also brought to the forefront our strengths as an institution and community. With our world-class research centers, civic-minded student body and culture of innovation, UNH was able to accomplish what few universities could: the swift establishment of a state-of-the-art testing lab and a safe, in-person campus experience. Wildcats experienced firsthand how expertise, critical thinking and collaboration can help to solve some of their generation's most urgent issues.

**SAFE + SUSTAINABLE + INCLUSIVE**

Our top-10 campus rankings for safety and sustainability reflect some of our proudest accomplishments. Wildcats unite around bold goals for a greener planet and more just society—and that starts right here on campus. Today, the university's Diversity, Equity and Inclusion framework asserts our strengths as a welcoming, engaged community while outlining, with urgency, how we must keep moving forward.

**Here's what that leadership looks like in action:**

**▪ Main campus powered by 100% renewable energy ▪ Respected public safety leadership engaged in the community ▪ Top-tier sustainability research advancing global solutions to climate change ▪ Comprehensive safety and wellness programs integrated into the 24/7 student experience ▪ 35+ student cultural organizations and a university mission of inclusion ▪ 3-Star Green Certified dining halls modeled on a closed-loop food system**

## EXCELLENT INVESTMENT

We are committed to making our world-class education accessible to as many students as possible—and making sure those students get the return they deserve. UNH graduates receive a combination of opportunities that's virtually impossible to match and build lifelong connections that lead to success.

**TAKE THE NEXT STEP**

At UNH, our students leave with skills that matter, lifelong connections and the tools to chart their own path to success. This is the place where amazing things begin.
